

## PUBLIC STATEMENT OF LINDSAY ANDERSON

DEC 01 1999

. MS. ANDERSON: Hello. My name is Lindsay Anderson, and I'm here from Billingshurst Middle School.

1

I was born the year of the worst nuclear disaster, and in 13 years, that disaster has been fixed a little bit but is still leaking, and it is not holding up to its expectations. I don't want that to happen again in my backyard to future generations of Nevadans.

Thank you.
